

Our Story

A small group of parents got together in early 2011 to make sure there was somewhere in East Lancashire for families with a member with Down's Syndrome to go for friendship and support.

We started holding meetings on a Saturday so that the whole family can join in: Mums, Dads, Grandparents, Siblings, Grandparents, Aunts, Uncles, Carers.... anyone who is involved. The meetings are going stronger than ever with more than 100 families in the group.

We now offer lots more opportunities but being family centred is at the core of everything we do.

We'd love for you to come along to one of our meetings but if you'd just prefer a chat over the phone or can't wait for the next meeting just give us a call.

"we really enjoyed meeting with everyone, they were great and very welcoming. We can't wait for the next meeting" - Lisa, new member
